Waking up at 6 am  
I can't wait to get back on the road again  
I think about the crazy things I did back then

So lets go back to a like this  
Where things were easier  
And there was always something new

SOOOOOO SINGGGG IT WITH MEEEEEEE

From the top, work it back up again  
Keep it quiet but don't stop screaming  
Sing it back, sing it back to me  
Don't LET GO!  
X2

Were heading out to folow our dreams  
Even though were not quite sure what that means  
But I know we will figure it out someday

Another time and another place,  
Another name but the same old face  
Cause some tings never change

SOOOOOO SINGG IT WITH MEEEEEEE

From the top, work it back up again  
Keep it quiet but don't stop screaming  
Sing it back, sing it back to me  
Don't LET GO!  
X2

[Guitar Solo]

From the top, work it back up again  
Keep it quiet but don't stop screaming  
Sing it back, sing it back to me  
Don't LET GO!  
X2
