Spontaneous dirtclouds
Are afterı»ı me
Epoxy frogs attach themselves to my face
Is this a bad dream
Or is this a bad acid trip?

Head in the sink
My foot is in the toilet
Fluids from my stomach
Are moving forward

I'm a psychedelic junkie
Can't get my hair cut short
'Cause I look like a monkey, a monkey, a monkey

I just don't know
My brain is burning a hole
Right in the top of my head
Well I'm just going nuts
I just, I just wish, I just wish
That I was dead, that I was dead
