My life is in a box
Four walls
Ceiling and floor
What time of day is it
The corner is come
Where I said no hope in store
No dope to score
Just have a deal with my own, my, my own mind
Kinda what do I do?

Nightmares a million
Alone cold dark feeling
I don't know I wanna go
Out of this box
Away from here
The army says they are sorry
My family is in pain

I'm a P.O.W. locked in a box
I will never quite live again
Hello, hello

I will never quite live again
Because to you I'm dead
And to me I'm dead too
God up there
If you exist
Come and save my soul
It's dark, it's fucking dark

Hello, hello, hello, hello, hello, hello, hello
Hello, hello, hello, can you hear me?
Hello, hello, goodbye
Hello, hello, cha cha cha
Hello?
