I had to kill her, because I loved her
I had to kill her, because I loved her
If I cannot have her, nobody else will
That's why I had to, that's why I had to kill

I thought she was mine, I thought she was sweet
-----(?)
She she broke my heart, she made me cry
That's why she had to die, that's why she had to die
That's why she had to die

Don't ask me why, but she just had to die
I stabbed her, I killed her
She made me cry, I killed her
And I put her in a bag, I killed her
And I stuck her in a hole
Some place that no one would ever know

I had to kill her, because I loved her
I had to kill her, because I loved her
If I cannot have her, then no one else will
That's why I had to, that's why I had to kill

I thought she was mine, I thought she was sweet
-----(?)
She broke my heart, she made cry
That's why she had to die, that's why she had to die

Hoo, ahh, don't ask me why
But that girl just had to die, I stabbed her
I -----(?) her, I killed her, cause she made cry

I -----(?) her, and I buried her in a hole
I buried her in some place, no one will ever know
Die, little girl, little girl, little girl, die

I had to kill her, because I loved her
I had to kill her, because I loved her
If I can't have her, nobody else will
That's why I had to, that's why I had to kill

Hoo, die, die, die die, die

Kill, kill, kill, kill
I loved her, I loved her, I loved her, I loved her
Uhhh, uhhh
