I've got flames in my eyes
The world I despise
One way to rid my mind
Go downtown
Run over street signs

Deathryder, I'm on the loose
Deathryder, well it's the truth
Deathryder, I've got no heart
Me and my car will never part
Deathryder

A 100,000 miles or more
I push the throttle to the floor
Go downtown run over little kids
But I stop for girls with big tits

Deathryder, I'm on the loose
Deathryder, well it's the truth
Deathryder, I've got no heart
Me and my car will never part

The dent 5 is on the loose
Gasoline and alcohol that's my juice

You'd better get out of my way
'Cause I'm the deathryder
And I'm going to live to ride another day
You'd better get the hell out of town
'Cause I can't lose, don't let me down

Deathryder, I'm on the loose
Deathryder, well it's the truth
Deathryder, I've got no heart
Me and my car will never part
Deathryder
