And when my bong is empty  
I know just where to go to get it filled  
I walk into the corner store  
Let it be, LSD

And when there is no more fillings in my teeth  
Because I ate them all up  
There will be an answer  
LSD LSD

Let it be (let it move)  
There will be an answer  
Let it be

And when I find myself in trouble  
Police are over me  
There's no pain in my stay  
Let it be  
If I find a cellblock that is heavy  
And supporting me, everything supporting me

Let it be  
Let it be (let it move)  
Let it be, let it be (let it move)  
There will be an answer  
Let it be (let it move)  
Let it be (let it move)
