I've got an Elvis tattoo  
Down on my cock  
When the music begins  
My cock begins to rock  
Shaking my balls all over the place  
Leaving me with a smile upon my face

Rock, to the bop, not the twist, and it's like this  
Ahhh bop bop bop bop bop bop  
Not the fucking twist, and it's like this

Over Elvis worship  
It's my problem  
I've got a cross with Elvis I wear around my neck every  
day

Rock, bop, Hound Dog  
Rock, bop  
Rock, to the bop, not the twist, and it's like this

I've got an Elvis tattoo  
Down on my cock  
When the music begins  
My cock begins to rock  
Shaking my balls all over the place  
Leaving me with a smile upon my face

Over Elvis worship  
He is my god  
Rock
