You, you thought you were a real big girl
You thought you knew it all
But baby if that was true
Then why'd we find you dead in a shower stall?

Fell in love, and now you're dead
I feel in love with you and now you're dead
Played with needles just a little too much
You always had to find the ultimate rush

Fell in love, your past's gone
My heart bleeds, now you're gone
Will more terror fill my eyes
I wanna give up but I don't wanna die

Fell in love, and now you're dead
I fell in love with you and now you're dead
Played with needles just a little too much
You always had to find the ultimate rush

I will, never, fall in, love, again

Now I've fallen into your same mess
Like can I pass the test
Now I've fallen into your same game
But will our destinies end the same

Played with needles just a little too much
You always had to find the ultimate rush
