Change the world
Grab yourself a skate
Do a grinder on the Capitol steps
Show the politicians really what life is about

Make skates not guns
Drop acid not bombs
Train people how to skate
Not how to go to the next Vietnam

Promote fun, not violence
Skate or bate, man
It makes a fuck of a lot more sense

Promote fun, not violence
Skate or bate

Make skates not guns
Drop acid not bombs
Train people how to skate
Not how to go to the next Vietnam

Promote fun, not violence
Skate or bate, man
It makes a fuck of a lot more sense

Promote fun, not violence
Skate or bate

Make skates not guns
Drop acid not bombs
Train people how to skate

If we all don't skate
The world's gonna end in a mess
