Way you used to be  
Way you tell yourself you want to .  
Is a mystery there is a reason for a . to these things  
Makes some sense to me there is no conclude reason ti  
should be  
Love is everything you can turn the fruits from the trees  
With no history there is a logical conclusion that . what  
you wonâ€™t believe

Is that is hard to forgive when you receive  
Once that is said once that all feels something  
Once that is said is another mentality  
Hey hey hey yo  
Hey hey hey yo  
Hey hey hey yo  
Hey hey hey yo  
Hey hey hey yo  
Hey hey hey yo  
Hey hey hey yo  
Hey hey hey yo  
Hey hey hey yo
