For a minute I was lost,
I looked away
For a minute I was lost,
I looked away.
I was looking for a home,
I was looking for a home.

For a minute I was lost,
I looked away
Trouble was, I was alone,
Trouble was, I was alone.

You might think I'm still that way,
It's only natural
It was a past life thing-
It was a past life thing-
It wasn't anything at all.

For a minute I was lost,
I looked away
For a minute I was lost,
I looked away.
I was looking for a road
I was looking for a road.

For a minute I was lost,
I looked away
My destination was unknown,
My destination was unknown.
My destination was unknown,
My destination was unknown.

You might think I'm still that way,
It's only natural
It was a past life thing-
It was a past life thing-
It wasn't anything at all.

Mes aloha (?)
Mes aloha
Mes aloha
Mes aloha

Mes aloha
Mes aloha
Mes aloha
Mes aloha

Oh oh oh oh!
You might think I'm still that way,
It's only natural
It was a past life thing-
It was a past life thing-
It wasn't anything at all.

Oh oh oh oh!
