[Tanya Lacey, Intro]Check-Check,
Check- Check, Check-One,
Can't hold me down, can't hold me back,
Me have fi burn every track,

[Tinchy Stryder, Verse 1]on your marks, get set, I'm
here, Let's go,
I got my eyes all set on the roads,
Before we go, yo, I make sure my stylee's got swagger,
I stay sobered up with no lager, and I've still got skulls
on the garments,
My mum keeps tellin me it's alarming,
Roll then we rock the show like Mick Jagger,
The further I go, the further I am to the end of the
Roads,
But I'll get through the freezing cold, rainy days,
Plus nights and snow, I can't hear "no's",

[Pre-Chorus]I feel like superman,
I'm ready for the world, make sure they know that,
And this is the route I chose; watch me I let the truth
unfold,
I got a super plan; I'll fly through it all I will not hold
back,
I am set so I aim for my goals,
That's why I bring it to life at shows,

[Tanya Lacey, Chorus]I've been through the best and
the worst times,
Still I'm striding on 'cause you know I'm rollin,
Gimme the beat and I'm rollin,
Just one stage, a mic and a mic lead,
Light comes down the spotlight is on me,
Rollin gimme the beat and I'm rolling,
(Yeah)
Can't hold me down, can't hold me back,
Me have fi burn every track,
Can't step down all I know it attack,
Step to the mic now I'm bringing it back,

[Tinchy Stryder, Verse 2]Yo, on your marks, get set, I'm

here let's leave,
I can see them crawling creeps,
Before I leave, chill, breath,
Make sure my rhymes have got ammo,
I'm ready for war I'm like rambo,
I'm just like you I'm around,
Me I can walk to the shops I'm about,
Just know that the car that I drive is no Lambo',
Try to proceed, end of the road I can all but see,
I'll go deep into the blazing heat,
I'm down I ride for my peeps,
You know why...

[Pre-Chorus] I feel like superman,
I'm ready for the world, make sure they know that,

And this is the route I chose; watch me I let the truth
unfold,
I got a super plan; I'll fly through it all I will not hold
back,
I am set so I aim for my goals,
That's why I bring it to life at shows,

[Tanya Lacey, Chorus] I've been through the best and
the worst times,
Still I'm striding on 'cause you know I'm rollin',
Gimme the beat and I'm rollin',
Just one stage, a mic and a mic lead,
Light comes down the spotlight is on me,
Rollin gimme the beat and I'm rolling,
(Yeah)
Can't hold me down, can't hold me back,
Me have fi burn every track,
Can't step down all I know it attack,
Step to the mic now I'm bringing it back,

[Tinchy Stryder, middle 8]
I'm really prepared you can check my stance,
My eyes are so focused, no quick glance,
Before I bounce, yo, Strydes,
I make sure my flows are still lightning,
That's why the rest are not liking,
They keep trying to pull me in to the drama,
They all wanna see me burn in the lava,
But I keep blazing back I'm still firing,

I get low, take it all in then I hit that road,
Smell it in the air man, it's all in the nose,
Raging bull I see red light rose,
You know why,

[Pre-Chorus] I feel like superman,
I'm ready for the world, make sure they know that,
And this is the route I chose; watch me I let the truth
unfold,
I got a super plan; I'll fly through it all I will not hold
back,
I am set so I aim for my goals,
That's why I bring it to life at shows,

[Tanya Lacey, Chorus] I've been through the best and
the worst times,
Still I'm striding on 'cause you know I'm rollin',
Gimme the beat and I'm rollin',
Just one stage, a mic and a mic lead,

Can't step down all I know it attack,

Step to the mic now I'm bringing it back,
