Where are the chains that held me down?  
Where is the past I tried to round?  
It really is amazing grace  
This thing can be erased

Because of the blood I know  
You are my source of hope  
Filling this empty soul with all I need  
Because of the blood of Christ I am free

There are some things I can't explain  
Like grace surging through my veins  
It's taking over every part  
Racing through my heart

Because of the blood I know  
You are my source of hope  
Filling this empty soul with all I need  
Because of the blood of Christ I am free

Every sin is washed away  
The price was paid  
Now I am saved  
Because of the blood

Because of the blood I know  
You are my source of hope  
Filling this empty soul with all I need

Because of the blood I know  
You are my source of hope  
Filling this empty soul with all I need  
Because of the blood of Christ I am free

Free because of the blood
