From Demo

Well I want to know what's happening
I want to know the time
You're talking to God and looking the other way
You're losing your mind

And when you close your eyes
The celebration ends
And there'll be no more lies
It's just another blind (blind) anniversary
Blind (blind) Anniversary-hehaheyaahhhhhh

Well I want to know where the country is
And I want the other side
You're fighting the pain
And fighting the push and pull
And leave it behind

And when you realize much more than this
But I'm too limb to celebrate this blind (blind)
anniversary
Blind (blind) Anniversary-hehaheyaahhhhhh

It's just another blind (blind) anniversary
Blind (blind) Anniversary-hehaheyaahhhhhh

It's just another blind (blind) anniversary yeah
Around we go
Around we go
Around we go
Round and round we go

And I want to and you want to
And you want its happening

And I want to and you want to
And you no no no no

But maybe that's just me
