Don't like the direction you are going to
Seems to lack the attention, that it used to
Stay out all night and get high with your friends
Wonder why you don't get one thing done
Don't like the direction you are going to
ahhh la da la da ahhh la da la da

Don't like the direction you have come to
Now it has the attention that it's used to
Stay home all night with the TV and wife
Comfortable life's not all it's cracked up to be
Don't like the direction you have come to

It's easy to get caught and the weight of the world
Is falling on your face, so unsure that you...
Don't like the direction You are going to
Seems to lack the attention that it's used to
Stay out all night and get high with your friends
Wonder why you don't get a one thing done
Don't like the direction you are going to
Ahhh ahhh

Yeah it's easy to get caught and the weight of the world
Is falling on your face, so unsure that you...
Don't like like the direction you are going to
Seems to lack the attention that it's used to
Stay out all night and get high with your friends
Wonder why you don't get a one thing done
Don't like the direction you are going to
Ahhh ahhh . . .
