Do you worry that you're not liked  
How long till you break  
You're happy cause you smile  
But how much can you fake  
An ordinary boy, an ordinary name  
But ordinary's just not good enough today

Alone alone alone alone alone alone alone  
I'm thinking  
Why, yeah superman's dead  
Yeah, is it in my head  
Yeah we'll just laugh instead  
Oh worry about the weather and  
Whether or not you should hate

And are you worried about your faith  
Kneel down and obey  
You're happy you're in love  
You need someone to hate  
An ordinary girl, an ordinary waist  
But ordinary's just not good enough today

Alone alone alone alone alone alone alone

I'm thinking  
Why, yeah superman's dead  
Yeah is it in my head  
Yeah we'll just laugh instead  
Oh worry about the weather and  
Whether or not you should hate

Raine: Edmonton, you guys bring your voices tonight?  
You guys ready to sing?

(Doesn't anybody ever know  
Doesn't anybody ever know)  
Doesn't anybody ever know  
That the world's a subway, subway  
Doesn't anybody ever know  
Doesn't anybody ever know  
Doesn't anybody ever know

That the world's a subway, subway  
That the world's a subway, subway  
Doesn't any, any, any, any, any  
Doesn't any, any, any, any, any  
Doesn't any, any, any, any, any  
That the world's a subway, subway  
That the world's a subway
