Help yourself
If you know why you came
'Cause if you need help she says...
There's something I've got saved
This is not what you wanted
These candy-coated fakes
This is not what you wanted
This is pain

Anacin, we're stumbling again
Anacin, it's the story of a hundred aisles

Walk away from simple on a tray
'Cause if you need help she says...
These fancy pills don't rate
This is not what you wanted
A miracle today

Time is not for sale today
Time seems so far away
You need more than this
Depressed come here try this
