Cover of The Beatles and U2 mixed with Hope played live in 1997

Listen to the colours of your dreams?
Turn off your mind, relax and float down stream,
And it is not dying,
And it is not dying.

Lay down all thoughts, surrender to the void,
And It is shining,
And it is shining.

Yet you may see the meaning of within
And It is being,
And it is knowing.
Oh
No
No

Love is all and love is everyone,
Oh,
It is being,
Oh,
It is being.

And ignorance and hate may mourn the dead,
mourn the dead,
It is believing,
It is believing.

So play the game existence to the end
And of the beginning,
And of the beginning,
And of the beginning,
Beginning.
Oh,
Oh of the beginning.

You say you want diamonds on a ring of gold,
Diamonds on a ring of gold.
You say you want your story to remain untold,

Story to remain untold.
But all the promises we made,
From the cradle to the grave.
When all I want is you.
Ahhhh
Yaaaaaaa
Ooooh

Hope climbs atop of the piano,
Reaching out towards the warmth of the sun.
And some man tries to ask her down,
Well now maybe that's where she belongs.

My God she said,
I'm the sunflower that wants.
My God she said,
This woman is gone.
The woman is gone
The woman is gone
The woman is gone
The woman is gone
The woman is gone
The woman is gone
The woman is gone
Oh
The woman is gone

Turn off your mind, relax and float down stream,
This is not dying,
This is not dying.
Oh play the game existence to the end
And of the beginning,
And of the beginning
And of the beginning
And of the beginning
And of the beginning
And of the beginning
And of the beginning
And of the beginning
Oh
And of the beginning
Oh
Oh
Oh
Oh
Oh
Oh
Oh

(Guitar Solo)

Oh
Oh
Oh
