Once-in-a-lifetime, if you're lucky to know.
Someone you can love, who touches your soul.
So many I've known, have walked down the aisle.
What started as love didn't end with a smile.

I just can't afford to make that mistake.
I know if I did...my heart surely would break.

Oh Heaven above, won't you give me a sign.
I've waited so long and running out of time.
Could this be the one?

Could this be the one, that I've been waiting for?
I want to believe, but how can I be sure? ...if this is the one?

There's no perfect love, in an imperfect world.
Try as you might, you'll never find one girl.
Can we ever be sure, that a love will last?
I guess all that we have, is what we've learned from our past.

I'm not asking for rain, or to make the clouds part,
just need to be sure...of what I feel in my heart.

Oh Heaven above won't you give me a sign!
if this is the one, you've sent me to find....could this be the one?

Could this be the one? That I've been waiting for?
I want to believe, but how can I be sure...
if this is the one?

Oh Heaven above...Can't get her off my mind.
If you're listening up there, tell me is this the sign?
If this is the one. Could this be the one?

Could you be the one? Could you be the one?
You must be the one.
I know you're the one. Thank God you're the one.
