When youâ€™re feeling lonely,
or when youâ€™re feeling blue.
Just remember itâ€™s only,
a stage youâ€™re going through.
Cause tomorrow the sun will shine,
and you will rise to a new day.
And all the worries on your mind
they will have all just slipped away.
And everything is going to work out, gonna work out
fine.
Everythings gonna work out... in time...

Youâ€™ve got my number, and Iâ€™ve got the time.
And if you ever need a listening ear, baby youâ€™ve
got mine.
And I know youâ€™ve been hurt before, and you
donâ€™t want to try again.
But youâ€™ve got to trust someone, so trust in me to
be your friend.
And I know you need someone, a friend is one you
know who is true.
Just remember Iâ€™ll always be a friend to you.

Baby youâ€™ve got my number, why do you stall?
Youâ€™ve got my number, just call! just call... baby
just call.
When youâ€™re feeling lonely, or when youâ€™re
feeling blue.
Just remember itâ€™s only, a stage youâ€™re going
through.
And just remember Iâ€™ll always be right here for you.

Iâ€™ll be right here. I wonâ€™t be far.
So if you need a listening ear... Well...
Youâ€™ve got my number, why do you stall?
Youâ€™ve got my number babe, just call! just
call...baby just call.

I know youâ€™ve been hurt before, and you donâ€™t
want to try again.
But youâ€™ve got to trust someone, so trust in me to
be your friend.

And I know you need someone, someone whoâ€™ll
understand.
Just remember Iâ€™ll always be there at the reach of
your hand.

Darlingâ€™ youâ€™ve got my number ... Why do you
stall?
Youâ€™ve got my number babe, just call... Just
call...Baby just call....

Chorus

Just remember Iâ€™m right here.
Just remember I need you, and Iâ€™ll be there.
Just remember sweet darling I care...oh, just
remember.
