If youâ€™ve been feeling sad and blue love.  
And youâ€™ve been looking for a true love.  
One you can be sure of...

Wonâ€™t you look my way?  
Wonâ€™t you look my way?  
Wonâ€™t you look my way?

Iâ€™m just your average ordinary guy.  
Trying my very best to get by.  
I wanna love you wonâ€™t you let me try,  
to prove to you that Iâ€™m the only one.  
No one will love you like you know I can,  
I wanna make all your dreams come true,  
I only live to love you...

So if youâ€™re looking for a new love.  
And if youâ€™re looking for a true love.  
One you can be sure of,  
Wonâ€™t you look my way?  
Wonâ€™t you look my way?  
Wonâ€™t you look my way?

Oh when youâ€™re near I find it hard to speak.  
So darling let me make this short and sweet.  
Everything I am I will give,  
to prove to you that passion lives.  
No one will love you like you know I can,  
I wanna make all your dreams come true,  
I only live to love you.

So if youâ€™re looking for a new love.  
And if youâ€™re looking for a true love.  
One you can be sure of...  
One that will not let you down.  
When times get tough weâ€™re gonna stand our  
ground.  
Theyâ€™ll write about us in the history pages,  
weâ€™ll build our love on the rock of ages.

So if youâ€™re looking for a new love.  
And if youâ€™re looking for a true love.

One you can be sure of....

Won't you look my way?

Won't you look my way?

Won't you look my way?
