Iâ€™m sittin pretty by the river.
Sittin pretty by the sea.
Iâ€™m sittin pretty, sittin pretty,
whenever my baby sits next to me.

Well sheâ€™s my baby. Sheâ€™s my girl.
And she knows I love her so.
Sheâ€™s my baby, sheâ€™s my girl,
and Iâ€™ll always want her to know.

Iâ€™m sitting pretty in the morning,
Sitting pretty late at night.
Iâ€™m sitting pretty, sitting pretty,
Whenever my baby holds me tight.

When Iâ€™m cruising in my car,
On an easy Sunday drive.
Well Iâ€™ll be feeling mighty fine,
as long as my babies by my side.

Cause sheâ€™s my baby, sheâ€™s my girl,
and she knows I love her so.
Sheâ€™s my baby, sheâ€™s my girl,
and Iâ€™ll always want her to know.

Iâ€™m sitting pretty in the morning.
Sitting pretty late at night.
Iâ€™m sitting pretty, sitting pretty,
whenever my baby holds me tight.

Iâ€™m sitting pretty by the river,
Sitting pretty by the sea.
Iâ€™m sitting pretty, sitting pretty,
Whenever my baby sits next to me.
Whenever my baby...
Whenever my baby...sits next to me.
