They say for everyone thereâ€™s someone,
with whom youâ€™re meant to be.
I guess thatâ€™s why I hold on, guess thatâ€™s why I
still believe. That...

Someday Iâ€™m gonna find someone, who wants to
share my dreams.
Someday Iâ€™m gonna find someone, who knows
what family means.
Someday Iâ€™m gonna find someone, who wants the
same things too.
Someday Iâ€™m gonna find someone, itâ€™s just too
bad!
that someone wasnâ€™t you.

Thought we had something special,
thought we made the perfect pair.
A love you donâ€™t find everyday.
A love you donâ€™t find anywhere.
Well if thereâ€™s someone for everyone,
there must be someone for me.
But now I know youâ€™re not the one,
which makes it harder to believe... that!

Someday Iâ€™m gonna find someone, who knows
what loveâ€™s about.
Someday Iâ€™m gonna find someone, who wants to
work it out.
Someday Iâ€™m gonna find someone, who wants a
love thatâ€™s true.
Someday Iâ€™m gonna find someone.
Always thought that someone...would be you.

They say for everyone thereâ€™s someone, with whom
youâ€™re meant to be.
But as the years keep rollin on, itâ€™s getting harder
to believe...that..

Someday Iâ€™m gonna find someone...who wants to
share my dreams.
Someday Iâ€™m gonna find someone! who knows
what family means.

Someday I'm gonna find someone, who wants the
things I do.
Someday I'm gonna find someone, someday
I'm gonna find someone,
who's gonna love me too.
Someday I'm gonna find someone.
It's just too bad, that someone...wasn't you.
