I keep reading in the paper almost every day,
about people who were once in love
who now just walk away.
So I called up my dear momma, married over 40 years
to ask her how sheâ€™d made it
through the heartache and the tears.

She said...
â€œTheyâ€™ll be times when in your mind
youâ€™re gonna have your doubt.
But you canâ€™t win if you give in,
and thatâ€™s what loves about.â€

Thatâ€™s What Loves about. Itâ€™s such a mystery.
You canâ€™t understand it. Youâ€™ve just got to
believe.
And when you do, youâ€™ll find that you,
can always work it out.
And in the end, Iâ€™ve learned my friend
thatâ€™s what loveâ€™s about. That's what loveâ€™s
about.

Oh when times get tough and life gets rough
and youâ€™re going through your doubt.
Well you canâ€™t win if you give in,
and thatâ€™s what loves about!

Well I called my Uncle Jerry whoâ€™s been married I
think twice,
to ask him what his secret was and could he offer some
advice.
He said â€œIâ€™ve learned many things but all you
really need,
is if your sweetheart ainâ€™t a smiling, ainâ€™t a
chance youâ€™re gonna be.â€

He saidâ€¦
â€œTheyâ€™ll be times when in your mind youâ€™ll
feel like walkin out.
But if you care well donâ€™t you dare, cause thatâ€™s
what loveâ€™s about!â€

Chorus:

That's What Loves about. It's such a mystery.
You can't understand it. You've just got to
believe.

And when you do you'll find that you,
can always work it out.
And in the end, well that my friend
is what love's all about.

Oh when times get tough and life gets rough
and you feel like walkin out...
well if you care well don't you dare,
cause that's what loves about.

I was sittin in a bar, just the other night..
When I met a man who told me, he'd been married
his whole life.
So I asked him what his secret was and what would he
tell me?
He said "there ain't no secret, this is wife now
number three."

He said...
"Sometimes we may argue. Sometimes we may
shout.
But we both know for love to grow, we've got to
work it out.
And in the end, you'll learn my friend...
that's what love's about!"

Chorus

Oh in the end, well that my friend
is what love's all about.
That's what love...that's what love...is all about.
