#### VERSE 1

How'd I get to this state, needin' you so bad it's all over  
my face  
I'm too cool for this, gotta face  
Tryna play him for a ride but I can't keep my pace  
With you, I feel, I can be me  
With you, I feel, life is real

#### Chorus

All I'm really doin' is you (that's what I'm about)  
Makin' you my number one (that's what I'm about)  
And if we fall in love (It's even better boy)  
All I'm really doin' is you (that's what I'm about, that's  
what's up)

Ooh ah, ooh rock

#### VERSE 2

How'd I make it this far, without breakin' down and  
givin' you all my love  
I'm so over this, bein alone  
So I'm thinkin' that maybe we, can become one  
With you, I feel, I can be me  
With you, I feel, life is real

#### Chorus

I'm doin' you (that's what I'm about)  
Makin' you my number one (that's what I'm about)  
And if we fall in love (It's even better boy)  
'cause all I'm really doin' is you (that's what I'm about,  
that's what's up)

Ooh ah, ooh rock

## Chorus

All I'm really doin' is you (that's what I'm about)  
Makin' you my number one (that's what I'm about)  
And if we fall in love (It's even better boy)  
All I'm really doin' is you (that's what I'm about, that's  
what's up)

Only doin' you (that's what I'm about)  
Makin' you my number one (that's what I'm about)  
And if we fall in love (It's even better boy)  
All I'm really doin' is you (that's what I'm about, that's  
what's up)

And that's what's up
