Tired of living without  
When others have so much  
If I could find someone  
To bring that lovin' touch  
All this time's been wasted  
No more words to spare  
And if I knew how to love  
I would take you there  
I won't let go  
I won't give up  
I'm gonna learn how to love you  
I'm gonna show you somehow  
If my time is over  
Can I learn how to give?  
Can I throw down these chains  
And find a new way to live?  
I know it won't be easy  
All I need is a friend  
And with you here by my side  
I'm ready to start again  
I won't let go  
I won't give up  
I'm gonna learn how to love you

I'm gonna show you somehow  
I will know you  
When I see you in my dreams  
So take my hand  
And follow me to ecstasy
