In my life, troubles come my way  
Its one thing then another, weighing heavy on my mind  
But when I seek Your face, everything changes  
Your love is the cure, now I can smile and sing

### Chorus 1:

I'm gonna wash Your feet with my tears  
I'm gonna wear my heart on my sleeve  
I'm gonna roll on the floor  
I'm gonna get on my knees  
I'm gonna give You all the praise  
Refrain: Cos You've got the whole world in Your  
Hands  
Lord I know You've got the world in Your hands

When you get frustrated, don't give up your faith  
Cos God is gonna do, just what He says He'll do  
Cos you know He's got the world in His Hands  
So lift your hands and worship Him and sing
