it's all fuzzy and hazy in here  
remember the time when I could see clearly  
I'm past the point of no return  
not far out, can almost see it burn  
I'm on my way

there's no way I'm not giving in  
no chance in hell I'm spinning that thing  
around 180, it looks completely wrong  
to you maybe, to me it gained, got strong  
I'm on my way

I'm on my way to you climbing to the top  
I'm on my way

can hear the sound, just about feel the beat  
trust my gut, turn up the heat  
end the text, complete the melody  
ride that bass to eternity  
I'm on my way

sudden moves define the future of mine  
creative mind I'm better than fine  
in lamest terms, first come, first serve  
move along, you're getting on my nerve  
I'm on my way

I'm on my way to you climbing to the top  
I'm on my way
