U tend to say things that amaze me
Callin me mad callin me crazy
and when those words seep off your lips
Somethin crazy in me... clicks

I've never really lost my head
I've lied awake while you were sleeping in bed
So call me crazy one more time
Let's see what happens when you cross that line

Got you alone alone alone alone tonight... Sleep tight
Got you alone alone alone alone tonight... You're mine

Warning
Ah ah I don't play fair
Warning
Ah ah I don't play fair

I may have been a naughty girl
Hearing your screams coming through the door
But it's too late to change my mind
So I'll just listen to you burn inside

Got you alone alone alone alone tonight... Sleep tight
Got you alone alone alone alone tonight... You're mine

Warning
Ah ah I don't play fair
Warning
Ah ah I don't play fair

And now it's quiet so quiet
Oh so silent so silent

Got you alone alone alone alone tonight
Got you alone alone alone alone tonight

Got you alone alone alone alone tonight... Sleep tight
Got you alone alone alone alone tonight... You're mine

Warning
Ah ah I don't play fair

Warning
Ah ah I don't play fair
