Close some lockin on the road the old moon
Awaiting on someone to sha pun
I'm not the cowboy ride his boots
I throw you for you make it out the shoot

It looks like you got this bull by the horse
And if I haven't told you I'm about to throw you

Chorus:

I'm correct but you can't see
The mother... raise and that's just been to my name
We're so sorry for the nominal fee
But nobody rocks this bull for free
For you I know baby hard to believe
But I'm about to go bout crazy
8 seconds, 8 seconds

'Cause I'm the bull of the king being road
An animal that only do what is told
And I don't mean that's the be so bold

But you've been know that I'm the first in show

It looks like you got this bull by the horse
And if I haven't told you I'm about to throw you

Chorus:

I'm correct but you can't see
The mother... raise and that's just been to my name
We're so sorry for the nominal fee
But nobody rocks this bull for free
For you I know baby hard to believe
But I'm about to go bout crazy
8 seconds, 8 seconds

8 seconds

Long... rhythm the story is told
About the bull that cannot be wrote
And the legend will never die
'Cause we belong hold on, hold on

[Chorus:]
