If she sinks this ship to the bottom of the sea
I'll hold my breathe until I reach the surface
Shes standing there contemplating if she wants me
here
WANTS ME HERE!

My mind is spinning in circles of the day
I'm pacing back and forth
Wishing I could see
Into the future
Where I'll make a plan

And she runs this train off the tracks
We would be the only ones who survive
I'm wondering what went wrong
And brought us here
BROUGHT US HERE!

My mind is spinning in circles of the day
I'm pacing back and forth
Wishing I could see
Into the future
Where I'll make a plan

Wouldn't it be nice if I figured it out
And gave her the world

She keeps me on the edge of my seat
But never fails to disappoint me
She keeps me on the edge of my seat
But never fails to disappoint
She keeps me on the edge of my seat
But never fails to disappoint me

Shes standing there contemplating if she wants me
here
WANTS ME HERE!

My mind is spinning in circles of the day
I'm pacing back and forth
Wishing I could see

Into the future
Where I'll make a plan

Wouldn't it be nice if I figured it out
And gave her the world
She keeps me on the edge of my seat
But never fails to disappoint me
