And there's something missing
I guess I'll never come to my senses
Never have another chance like this
(And if I did) I'd do it all (Over again)

When this falls apart
And all plans break down
Into meaningless nonsense
And unsuccessful designs

(We will break, connections lost)
And gone forever
We will break connections lost and gone

I can't take this
(The words are gone but still live on)
The words are gone but still live on

I can't take this (I can't take this)
Like you said you don't mind

And there's something missing
I guess I'll never come to my senses
Never have another chance like this
(And if I did) I'd do it all (Over again)

And in the end the windows stay (Broken)
Broken until the day is done
This was meant since the beginning
[Screamer]
We've been holding back
And we stay apart

And there's something missing
I guess I'll never come to my senses
Never have another chance like this
(And if I did) I'd do it all (Over again)

We've been (Holding back)
(We've been holding back)
Because we know that there's something

[Screamer]
We've been holding back.. we know
Back.. we know
Back.. we know
Back.. here we go
Back... because we won't let go
But we, we won't live forever in your eyes
So for now we won't see
