Hook:

That's just the way I was brought up,
Feel like a major leaguer did the day they was called
up.

Back then to make it, I had to crawl up
True hustlas getting money that's balled up
So while I straighten bapes out,
Fools see us be like "œdudes is caked out!"
To all the hood legends that took the same route,
I put it all in perspective before I came out.

Verse 1:

We bang hard like beats with a thick lead,
Swing thru lookin brand new in that 6-speed
I'm like a furnace when I work, I only spit heat.
Commercialize the flow they love when I spit street.
Weak MC's, we layin em 6 feet,
The game so close Jack Nic wanna switch me seats.
G'm head n find a rapper hot as Tha Native be,
Short Dawg, I've had bars since little league.
I play the block like a light pole,
Wrist rocked up look like diamonds and light bulbs.
Fashion and bright lobes, chains around my neck they
even at night glow.
My set keep us hype fo, ya'll can chase those hood
rats!me I pull the right hoe
Plus I rap with a nice flow, champagne bottles from
buckets we pop em ice cold.

Hook to Verse 2!

Verse 2:

I'm from the era where you'll get sweated
for the colors you got on
Cant wear what you wanna wear.
Round here, ain't never fair!from the left side
of the map
Yet the flow's felt everywhere.
Comin up I was taught by the best,
put me on the right path!you know, the road to
success.
Uh, that's just the way I was brought up,

graduated to heatsâ€¦used to just spray a wall up.
I spit hooksâ€¦bars in different combinationsâ€¦
Thatâ€™s why youâ€™ll hear my name come up in
certain conversations.
I proceed to get doughâ€¦nooo complications,
Otherwise expect some confrontation.
Iâ€™m from a block you would fight for,
Make it out, still not forget what its like poor.
Before I had my foot in the right door,
Been on another level now my feet on the right floor.

Hook to Bridgeâ€¦

Bridge:

Its just how it is where my crew be at,
Say something slick and theyâ€™ll trip like a booby
trap.
You get rolled like a doobie wrap,
AK Louie strap..feed you a Scooby Snackâ€¦.
Thatâ€™s how it is where I came from,
Same place I got my name fromâ€¦I told yaâ€™llâ€¦
Iâ€™ll never switch, been the same since day one.
Forget about them games homie, we donâ€™t play
none.

Hook to fadeâ€¦
