You make me smile when I sleep
You make me laught when I sing
Ohh baby when I see you smile
You give me butterflies

You make me smile when I sleep
You make me laught when I sing
Ohh baby when I see you smile
You give me butterflies

I just want you to know
But I dont want to say
That I love you so much
And now you are my prince

I just want you to know
I just want you to see
I have feelings for you
You are my destiny
