Hey now call it a spliff 'cause you know that you will
Oh you bite your friend like chocolate
You say, we'll go where nobody knows, with guns
hidden under our petticoats
No we're never gonna quit it, no we're never gonna quit
it no

Now run, run away from the boys in the blue, and my
car smells like chocolate
Hey now I think about what you do, I think about what
they say, I think about how to think
Pause it, play it, pause it, play it, pause it

Oh we go where nobody knows, with guns hidden
under our petticoats
No we're never gonna quit it, no we're never gonna quit
it no
Yeah we're dressed in black from head to toe, we've
got guns hidden under our petticoats
No we're never gonna quit it. no we're never gonna quit
it no

Now you're never gonna quit it, Now you're never
gonna quit it, Now you're never gonna quit it
If you don't start smoking it, that's what she said
She said we're dressed in black, head to toe, with guns
hidden under our petticoats
And we're never gonna quit it, no we're never gonna
quit it no

Hey now we're building up speed as we're approaching
the hill
My hair smells like chocolate
Hey now you say you're gonna quit it but you're never
gonna quit it
Go get it, go get it, go get it, go get it, go
And play it cool!

Oh and you said we go where nobody knows, with guns
hidden under our petticoats
No we're never gonna quit it, no we're never gonna quit

it no
Yeah we're dressed in black, from head to toe, we've
got guns hidden under our petticoats
We're never gonna quit it, no we're never gonna quit it
no

[2x]
Well I think we better go,
Serious you better go
Said the feds are here you know
Serious you better go, oh oh,
Well I think we better go
Said the feds are here you know
Said Rebecca better know
Serious you better go

We go where nobody knows, guns hidden under our
petticoats
No we're never gonna quit it, no we're never gonna quit
it no
Yeah we're dressed in black from head to toe, guns
hidden under our petticoats
We're never gonna quit it, no we're never gonna quit it
no
No no no

Well I think we better go,
Serious you better go
Said the feds are here you know
Serious you better go, oh oh,
Well I think we better go
Said the feds are here you know
Said Rebecca better know
Serious you better go
