Keep your voice low
Stop looking at my friends
Go out
They get exactly what you say

Drink, fuck, spew
Telephone you
If you're alone in your room, what's that boy doing?

Head, cars, bending
Head, cars, bending

Can we go now? Not staying 'til the end
Fall down; write another song about your friends
Lock me in, knock me out, talking like you do
And if you think you're helping me
I don't think I'm helping you

Drink, fuck, spew
Telephone you
If you're alone in your room, what's that boy doing?

Head, cars, bending
Head, cars, bending
Head, cars, bending
Head, cars, bending
