I got a plane in the middle of the night, don't you mind?  
I nearly killed somebody, don't you mind? Don't you  
mind?

I gave you something you can never give back, don't  
you mind?

You've seen your face like a heart attack, don't you  
mind? Don't you mind?

I was late, but I arrived

I'm sorry but I'd rather be getting high than watching  
my family die

Exaggerate

And you and I

Oh, I think I did something terrible to your body, don't  
you mind?

I put your mother through Hell, don't you mind?

I had your brother as well, don't you mind? Don't you  
mind?

Oh, I was thinking about killing myself, don't you mind?

I love you

Don't you mind? Don't you mind?

I put your mother through Hell, don't you mind?

I had your brother as well, don't you mind? Don't you  
mind?

Oh, I was thinking about killing myself, don't you mind?

I love you

Don't you mind? Don't you mind?
