And you're a liar
At least all of your friends are
And so am I
Typically a child in my heart
It's my party
And I'll cry to the end
You must try harder
You're kissing all of my friends, you

Yeah, it takes a bit more
Yeah, it takes a bit more than you
It takes a bit more
Yeah, it takes a bit more than you

And you're alive
At least as far as I can tell you are
And so am I
You beat me down and then we're back to my car
And it's so ironic
How it's only been a year
And it's not my fault
That I've fucked everybody here

And it takes a bit more
Yeah, it takes a bit more than you
It takes a bit more
Yeah, it takes a bit more than you
It takes a bit more
Yeah, it takes a bit more than you
It takes a bit more
Yeah, it takes a bit more than you

And I said, "Do you wanna dance? Do you wanna
dance?
Do you wanna dance some more in the back of the
hall?"
And I said, "Do you wanna dance? Do you wanna
dance?
Do you wanna dance, dance in the back of the hall?"

Yeah, it takes a bit more

Yeah, it takes a bit more than you
It takes a bit more
Yeah, it takes a bit more than you
It takes a bit more
Yeah, it takes a bit more than you
It takes a bit more
Yeah, it takes a bit more than you
More, more
(Yeah, it takes a bit more)
More, more
(Yeah, it takes a bit more)
It takes a bit more
More, more
(Yeah, it takes a bit more)
More, more
(Yeah, it takes a bit more)
It takes a bit more
