We ran We starved the things That feel Outback The drunken waters steal from me

If we beat him down, will he stay? He's a little dizzy I feel it starting to take me Where did everybody go? I need them now To save me

We fell, when they choked the things that feed

How come... we hurt the one's we need? Lay down, and stretch upon the sea

If we beat him down, will he stay? He's a little dizzy I feel it starting to take me Where did everybody go? I need them now If we beat him down... will he stay?
