We didn't know  
We didn't know  
We want love  
We want love  
We didn't know  
We didn't know

There were times I betrayed what was sacred to myself  
and lost.  
Over lines I'm ashamed of the things that I had done  
and crossed.  
I was so fast to run when doubt had come  
So fast to run, so fast to run.

We didn't know  
We didn't know  
We want love  
We want love  
We didn't know  
We didn't know

So many times when I gave I was faking and I felt so  
lone.

I'm a munster, I'm an adict, I'm a danger to myself, I  
know.

We didn't know  
We didn't know  
We want love  
We want love  
We didn't know  
We didn't know  
We want love  
We want love

Can we take another round?  
Can we take another round of love..

Without the guns?  
Can we take another round?

We didn't know  
We didn't know  
We want love  
We want love  
We didn't know  
We didn't know  
We want love  
We want love

I'm willing to listen  
I'm willing to say  
I'm willing to try or throw it all away  
Do we throw it all behind?  
Throw it

On a dime life can change  
Everything that you once loved you've lost  
I'll tell you why I'm afraid with the symptoms  
I've been making up

We didn't know  
We didn't know  
We want love  
We want love  
Willing and now  
Willing and now  
We want love  
We want love

Can we take another round?  
can we take another round of love..  
Without the gun?  
Can we take another round?
