Summer is  
And summer blues  
Summer do come surely  
I  
I have no love to give  
I just have to get around  
I happen to be learning  
I  
I have no love to give  
Don't ask me why  
Why I don't know  
I have no love to give  
Don't ask me why  
Why I don't know  
I have no love to give  
If you think that I'll be coming running back  
tomorrow  
Just to refrain  
I have no love to give  
Boy you think I mean it when I say it yours to borrow  
Just to commend  
I have no love to give  
Don't ask me why  
Why I don't know  
I have no love to give  
Don't ask me why  
Why I don't know  
I have no love to give  
Talking about a man who says to me I'm very  
weltered  
But though my dear  
I have no love to give  
Seems to me he's making noises like  
someone's been jilted  
Look at here  
I have no love to give  
Don't ask me why  
Why I don't know  
I have no love to give  
Don't ask me why  
Why I don't know  
I have no love to give
