Sunset rests on a dirty road
Clock stop dead and the sky explodes
IÂ'm blood shot red and IÂ'm feeling fine
Take that gun girl and blow my mind
Take that gun girl and blow my mind

Yeah

Boredom shaking idle hands
Making friends with a high demands
Brain washed minds to slave in hell
I got them blues when you play me well
See she teach me all I know
To live in fear and to stay at home
Baby save me no more sign
Take that gun and blow my mind

Bang bang bang
Bang bang bang
Bang bang bang
Take that gun and blow my mind
Bang bang

Stripped down life in my stripped down home
Corporate stones broke my homegrown bones
I sign my name on the dotted line
Take that gun girl and blow my mind
Take that gun and blow my mind

Bang bang bang
Bang bang bang
Bang bang bang
Take that gun and blow my mind

Yeah yeah ahh yeah
Take that gun and blow my mind

Sunset rests on a dirty road
Clock stop dead and the sky explodes
IÂ'm blood shot red and IÂ'm feeling fine
Take that gun and blow my mind yeah

Bang bang bang
Yeah yeah yeah
Bang bang bang
