Trust is fading and it's clear to see if I let you in you'll
turn against me (turn against me). under a microscope,
I'm analyzed, picked apart and criticized. leaving it all
in disarray, I put myself out on display. the formula - so
easy to predict: manipulate and contradict. trust is
fading and it's clear to see if I let you in you'll turn
against me. under a microscope, I'm analyzed, picked
apart and criticized. leaving it all in disarray, I put
myself out on display. the formula - so easy to predict:
manipulate and contradict.
