I don't tell the truth  
I bet that's not a real surprise  
I said I'd be forgetting about you  
But now I know I'm wasting my time  
You won't set me free  
I guess I'll never get away  
I can't beat that feeling inside you  
You're bangin' on my heart again

B-b-b-bangin'  
Bangin' on my heart  
B-b-b-bangin'

Just another girl  
Is all I thought you were and then  
You went and proved me wrong  
Now I'm in trouble  
You're bangin' on my heart again  
Numbers all I took  
Figures still inside my head  
And now I'm not sure that it's all over  
I thought you were gone  
You're back in my heart again  
Heart again  
Back in my heart again  
Heart again

You've known all along  
I jump whenever  
You're banin' on my heart again  
Ooh I've been into you  
More times than you've been into me  
But this scar's gonna last forever  
I know this feeling's something you'll never see  
I know this feeling's something you'll never see  
Bangin' on my heart again  
Bangin' on my heart again

B-b-b-bangin'

Bangin' on my heart  
B-b-b-bangin'  
Bangin' on my heart
