(j. spinks)

For once ? in my life
Well I wished that i
Could just say what? s on my mind
But I'm afraid
In case the words don't come out right
And if ? I should try
Do you think that you would understand me?

Oh oh oh maybe it? s a crime what i? m thinking
Don? t you wanna know why
Baby it? s a crime what i? m thinking

Well i? ve tried ? so hard
And I wished that I could just get the moment right
But everytime ? there? s always someone in this room
And so ? tonight
If I get the chance ? i? ll share my secret

Oh oh oh maybe it? s a crime what I'm thinking
Don't you wanna know why
Baby it's a crime what I'm thinking

Oh i? m ? just like
Any other man ? I just want the best out of life
But in the end ? I know I'll take what I can get
If I ? should try
Do you think that you would stand beside me?

Oh oh oh maybe it? s a crime what i? m thinking
Don't you wanna know why
Baby it's a crime what i? m thinking

Oh, won't you stand by my side
Just a little bit longer
Just a little bit longer
Oh ? for just once in your life
Stand by me ? stand me

Just a little bit longer ? just a little longer

Just a little bit longer ? just a little bit
Come on baby come on baby
