Got a letter from a mystery man
In between the lines - he don't understand
He's on a mission in Mozambique
The room is wired and I just can't speak

In the middle of it all - he can waste no time
In the middle of it all - he just says goodbye, goodbye

Got to get there just as fast I can
A pink carnation on a mystery man
A rendezvous in Romania
Double agents in Australia

In the middle of it all - he can waste no time
In the middle of it all - he just says goodbye, goodbye
(Ahh!)

In the middle of it all - he can waste no time
In the middle of it all - he just says goodbye, goodbye
In the middle of it all - he can waste no time
In the middle of it all - he just says goodbye, goodbye
