J. spinks

Staying up all night - this could be a party
I've got some friends outside - looking for a good time
You better head my way - this is where it's starting
No rules - no laws - tonight you're gonna stay

(chorus)

Hey girl hold me tight - the night ain't over
Hey girl hit that light- the night ain't over

I'm staying up all night - this could a showdown
I've got this thing inside - telling me don't run and hide
And there's so many roads - only you can go down
Don't close - your eyes - there just might be another
way

(chorus)

Ooh I might be losing my soul
But life's only fun when it's dangerous
And I don't wanna be told
I won't play safe and start growing old

It's five in the morning
And I can feel the beads of sweat
Running down the back of my neck
It's so good to be with you again
Oo-oo-oo

Someday - wait and see
This will be just a memory
And I'll look back with no regrets
Good times like this I can't forget

(chorus)
