We're all on a rolling high
It's only going one way (yeah)
It's all up hill from here
We're gonna save the day (yeah)

If you haven't got a ticket
You can ride for free (yeah)
And if you're moving closer
You're moving in on me (yeah)

I said it's our turn
You'll never learn
You're gonna lose
You're gonna lose

It's our turn
You'll never learn
You're gonna lose, gonna lose
You're gonna lose

And if you're struck by lightening
It's gonna make my day (yeah)
Because I'm the last man standing
The rest have gone away (yeah)

I said it's our turn
You'll never learn
You're gonna lose
You're gonna lose

It's our turn
You'll never learn
You're gonna lose, gonna lose
You're gonna lose

Because I'm the last man standing
I'm the last man standing
I'm the last man standing
The rest have gone away

I'm the last man standing
I'm the last man standing

I'm the last man standing
The rest have gone away

I'm the last man standing
I'm the last man standing
I'm the last man standing
The rest have gone away

I'm the last man standing
I'm the last man standing
I'm the last man standing
The rest have gone away (come on)

I'm the last man standing
I'm the last man standing
I'm the last man standing
The rest have gone away

I'm the last man standing
I'm the last man standing
I'm the last man standing
The rest have gone away
