Well the sun went up,
Sun went down,
I couldn't see,
You around

I left the city,
Breeze of the mountain,
But the night had no pity,
Shattered my dreams

Aaaaaaaaaa, aaaaaaaa, aaaaaaaaa, aaaaaaaa (x2)

I cleaned up my act,
For judgment day,
Lord have mercy,
Pray for me pray

For my sins be forgiven,
So I can pass the test,
To see you again in heaven,
Where angels rest

Aaaaaaaa, aaaaaaaa, aaaaaa, aaaaaa (x2)

Aaaaaaaaa, aaaaaa, aaaaa, aaaaa

Yeaaaaah, sleep with the lights on,
I sleep with the lights on,
I sleep with the lights on,
Ohh lord oh lord,
I sleep with the lights on,
I shiver and I shiver,
Cry me a river,
Now that you're gone yeah

Yeeees yes, sleep with the lights on
Sleep with the lights on,
Sleep with the lights on,
Now that you're gone,
Sleep with the lights on,
Oh shiver and I shiver
I'm all alone, oh

Now that you're gone,
Sleep with the lights on,
Sleep with the lights on uhh,
Shiver shiver shiver shiver,
Now that you're gone
You're gone
You're gone.
