Yeah ah yeah go,

I tug my gal in a gunny sack,
Sheâ€™ll be true to me till I get back,
I threw that sack out in the rough,
By god she wasnâ€™t true enough,

Shake up Johnny wake up,
She got the red dress on,
Shake up Johnny, wakeâ€¦.
Smith and Wesson
All the way.

I walk in the bar and the fellas all cheer,
Gimmie my whiskey and my beer,
Drink up drink up drink up some more,
A bully in the alley and youâ€™ll wake up sore,

Shake up Johnny wake up,
She got the red dress on,
Shake up Johnny, wakeâ€¦.
